Dear South Bank Primary Family,

Firstly, a huge well done to our Year 6 pupils who have completed their SATs with focus, resilience, and maturity. We're incredibly proud of the effort they put into their learning and they approached the assessments with a calm and determined attitude. A special thank you to all of the staff team who supported them and to families for the encouragement and positivity you've provided at home.

This week, I had the pleasure of visiting Oasis Academy Warndon in Worcester along with Cara, our Early Years lead. We visited to look at how the Oasis curriculum and Early Years approach can further enrich our offer for our youngest children and we came back with lots of ideas to build on the offer we already have in place.

Looking ahead, the final half-term of the year is shaping up to be both busy and exciting. We have a number of key events planned, including Sports Day which will be held on the morning of 26th June at Archbishop's Park (fingers crossed for a warm day and no rain!). We're looking forward to children coming together, demonstrating teamwork and sportsmanship. More details will be shared after half-term.

As part of our ongoing effort to create a greater sense of belonging for every child, we plan to give our classes meaningful new names. Currently, our classes are named by colours, and while simple, these names don't reflect the vibrant character and values of our school or community. We'd love your input as we choose a new theme and names that can inspire pride and connection among our children, staff, and families. If you have ideas or themes you'd like to suggest, we warmly invite you to share them with us.

Thank you, as always, for your continued support. I hope everyone enjoys a well-earned break over half-term and returns refreshed and ready for a fantastic final few weeks of the school year.

Summer 2 half-term

Please note that children return to school on Monday, 2nd June. This is **not** an inset day and children should attend school as usual.

Instagram

We hope you've been enjoying seeing more of school life through our Instagram page 'Oasis Academy Southbank Primary'

Many families have given consent for their child's image to be used on Instagram posts and we fully respect that some families prefer for their child's image not to be used. If you would like to give your consent for your child to feature on school social media (Instagram/website) and haven't already given consent, please complete this form—it takes less than a minute:

New uniforms

I'm aware that a number of our older children have still not received their free new uniform polo top or jumper. The supplier has informed me a delay and hope to receive over half-term.

I have communicated my disappointment and frustration that these have been so delayed. As soon as we do receive, we will make sure these are given out to those children still waiting.
