Dear South Bank Primary Family,

Welcome back! It's been fantastic to welcome the children back to school this week and share their positive energy for their new classrooms, class teams and new learning. Thank you for helping your children arrive ready to learn. We're also pleased to welcome a number of new children to our South Bank Primary family who have already settled well.

A curriculum overview will shortly be sent out for each year group. These documents outline key learning topics for this term and the main read aloud text. Please do take a moment to read through when they arrive.

We also have some exciting staffing updates. We're delighted to welcome our new SENCo, Nikoleta, who will also teach in Blue class on Mondays and Tuesdays. We also welcome Isla Mae, our new Gold class teacher.

Over the summer I also had an addition to my own family – a baby son. As a result, I will be taking paternity leave on Mondays and Wednesdays for the next five weeks. This arrangement will mean I remain closely involved in school life while taking this leave to support our new arrival.

Finally, information about after-school clubs for Autumn term will be sent out early next week. Please look out for this and hopefully there will be something for everyone!

Thank you for all your continued support and we're looking forward to a great term (and year!) ahead.

Wet weather

It feels like we have experienced every season of the weather, this week! As we head into Autumn we can expect the weather to get colder and wetter, so please make sure your child comes to school with a coat. Whenever possible, we want children to enjoy playtime outside and get fresh air.

PE & Swimming

Classes will start PE and swimming next week. Please check with your class teacher on the days. Children should wear PE kit on their PE day. We have also updated the PE uniform policy so it is no longer necessary to wear school branded clothing for PE. This to support reducing the costs of uniform. Full details of uniform can be found on the 'Academy Life' section of the website.
